Head of School: Miss Anna Smith
Exec Head: Mr Dave Rooney

September 2013

Dear Parents and Carers,

Thank you to everyone who completed the parent/carer questionnaire in the Summer Term.

At Holy Trinity C of E Primary School we are committed to continuous improvement, and your feedback enables us to identify ways in which we can keep making the school a better learning environment for our pupils.

Overall, the results were very positive, with 89% of you saying that you would recommend Holy Trinity to another parent/carer. Also scoring well were the school's safe and friendly environment, its concern for pupil welfare, its promotion of a healthy lifestyle and the school's efforts to bring out the best in each and every child.

On the academic front: you were satisfied with the level of homework given out and that pupils were progressing well in communication, reading, writing and maths. 88% of you praised the quality of teaching at the school. Behaviour and the school's ability to deal effectively with bullying were also identified as positive factors at Holy Trinity.

Based on the survey results, you identified two areas for improvement. One was sport where you told us that you would like to see it developed further in school. Mr Rooney and Miss Smith have already started to focus on this. The second area was the need for improvement in the way the school communicates with parents. Again we have started to address this by the Head of School's weekly newsletter, an upgraded easier to use school website holding all the key information such as all the latest news, calendar dates and other important information, as well as our policies and curriculum. We have also introduced the new 'Teachers to Parents' texting service.

Thank you for sharing your feedback; it has been invaluable and will help us to shape our school.

We look forward to your on-going support.

Kind regards,

Yasmin Thorn-Davis
