KEY INFORMATION FOR THE WEEK

I do hope that those of you who were able to come along to Lowbrook Academy on Monday to find out about the Year 6 residential trip at the end of the year found the meeting useful and informative. If you have any further questions about the planned excursion, please do not hesitate to speak to me or Mr. Gosling. Paper work related to the trip will be circulated in the coming months.

I also trust that those of you who were able to come along to our Phonics Workshop on Thursday benefitted from hearing how phonics is taught in school. The teaching team hopes that you now feel better equipped in supporting your child in this key area of the curriculum.

Flu immunisations were administered to pupils in Reception, Yr. 1, Yr. 2, Yr. 3 and Yr.4 on Wednesday. Thank you for passing the relevant consent forms to the office quickly in order to allow the process to run smoothly.

On the sporting front our netball and rugby teams were in action this week. The netball team was unsuccessful in securing a win against St Edmund Campion but congratulations go to Sadie Huddleston who won 'player of the match' for her strong defense against a formidable opposition. The rugby team was rather more successful in two matches against Oldfield School. Our B team secured a draw whilst the A team came away with a 10 – 7 victory. The children all played well but Lily Gibson was particularly successful in dominating the opposition and leading the team to a win.

On Thursday the children enjoyed hearing and learning from PGA Junior Golf Coach Cristian Lopez Rodriguez who joined us in assembly to promote his after school club. If your child would like the opportunity to learn the skills of the game, please refer to the attached flyer. You can sign your child up for lessons which take place here at Holy Trinity on a Thursday by speaking to the office staff.

Finally, I would like to thank our Yr.6 pupils for ending the week on such a positive note with their class assembly. The quality of their writing particularly impressed me and I hope that those of you who were able to join us, enjoyed hearing from the children how successful our promotion of growth mind set principles has been in helping them develop into determined and resilient learners.

Anna Smith

MONTHLY CALENDAR DATES

23rd – 27th - Half Term

3rd Nov – Yr.3 - Class Assembly - 2.45
