

Our Guiding Light

Jesus said

"I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another. By this everyone will know that you are my Disciples, if you have love for one another. (John 13-34-35)

KEY INFORMATION FOR THE WEEK

Thank you for your support this week as schools across the country have been disrupted by industrial action. Currently there are no dates planned for future industrial action. If this changes you will be informed.

Red Nose Day – Friday 17th March:

Thank you for helping us support Comic Relief today. We are delighted to have raised £147.53 so far. Next week our donations will be sent off to the charity to help it continue to change lives.

Success in Sport:

With a number of sporting events lined up again for next week, we hope that the calendar dates section of our newsletter helps to keep you informed of what is happening. Results of sporting fixtures are always posted on Twitter so do sign up if you would like to see what's happening around the school in this area of the curriculum as well as others.

WrapAroundCare4U:

Following the news that there will be some changes to the team who run our after-school provision, we have been delighted that Sophia who is taking over from Annie after Easter has been in school all this week for a handover. You will continue to see Sophie and Annie over the next two weeks after which Sophia will completely take over the reins. To find out more about our after-school provision and to make a booking, refer to our website.

Forgotten Items:

Thank you for taking note of our plea last week to avoid dropping off items for collection after your child has arrived in school. The office is always incredibly busy so we cannot guarantee that items delivered will be distributed. I am grateful for your support of our admin staff.

Pennies for Change, Ethiopia:

Information about our Lent charity project can be found on Google Classroom. Smarties tubes should be brought to school within the next two weeks. From Monday, for 20p a go, your child can 'guess the number of sweets in a jar'. This is an extra fund raising project for PFC.

Frimley Health Care Invite:

Following feedback asking for resources to support parents and carers in feeling more confident to provide self-care for unwell babies, children, and young people, alongside knowing when and where to seek further medical help based upon symptoms, NHS Frimley are hosting an online event with local GP's, Dr Alex Streeter de Diego and Dr Sabina Shaik, together, they will guide parents, carers, and professionals through the Frimley Healthier Together website and App, demonstrating:

- How to find NHS traffic light guidance on symptoms like fever or cold.
- How to find local support services for children and young people e.g., mental health support.
- Symptoms that mean a child can go about their usual daily routine, and those that mean they should stay home to recover.
- Content within the Healthier Together App, and how to download it.
- Plus, they will be hosting a Q&A session.

Expected to last around 45 minutes, the online session will run at **13:00 on Tuesday 21st March**. To sign up go to: bit.ly/FHTMar23

Finally, we'd like to say an enormous thank you to Mr Strudwick and his colleagues from White Watch Fire and rescue Service for visiting Year 1 today with their fire engine. The children had a wonderful time seeing how their Pudding Lane models caught alight before the crew put out the fire so expertly! It was a fabulous way to finish off the day.

Thank you again for your support this week; have a lovely weekend and perhaps I will see some of you later at the PTA Quiz Night!

Anna Smith
