

KEY INFORMATION FOR THE WEEK

The week ended on a high with the Christmas Fayre. The event is largely planned with the children in mind and they all certainly seemed to have a wonderful time. Thank you for supporting the school through donating gifts, planning activities, running stalls and coming along to spend your money. All profits will be spent on resources which will undoubtedly benefit your child throughout their time at Holy Trinity. Your support is invaluable but my thanks on this occasion go particularly to a small team who have masterminded the whole event from start to finish. Thank you Laura, Kate and Kristina.

In other news this week, Year 5 shone at an event at the Holiday Inn in Maidenhead. For the last four weeks they have worked with published poet Coral Rumble writing their own poems. The event on Thursday, which another three local schools participated in, gave the children an opportunity to show case their work. It was a terrific way to celebrate the end of an inspiring project.

The football team was in action on Wednesday with an away game against Furze Platt. The schools were well matched but the final score gave the win to the opposing team, 2-1.

As we approach the end of term, extra-curricular activities will be drawing to an end. One club which came to an end this week was Young Entrepreneurs. The final session on Tuesday saw the teams of Year 5 and Year 6 children pitch their business ideas to three dragons, local business men and women, who had the unenviable task of deciding who had the best concept. The winning team, made up of Bella Holford, Lula Parker, Tilly Stockdale and Leah Youthed, will be appearing on Marlow FM next Friday to talk about the experience of setting up a company.

Finally my thanks go to Mrs Dexter and 'Flowerland' in Bourne End for donating the Christmas tree which sits in our entrance, to school. I hope you have a lovely weekend and I shall look forward to seeing many of you next week for our nativity extravaganza.
