KEY INFORMATION FOR THE WEEK

I do hope that those of you who came along to the Year 6 Arthur Burgin Exhibition on Tuesday enjoyed the event. The children have worked hard on their projects and the science knowledge they displayed was impressive. They certainly inspired the Year 5 children who will be participating in the project next year.

If you missed the information last week, please note that Sports' Day has been rescheduled for Friday 12th July. We hope that the weather will be kind to us then.

With only two weeks until the PTA 'HT Fest' the team are busy putting the final touches to the schedule. Please note that this year it is a ticketed event so purchases should be made beforehand. If you would like to come along, do ensure you purchase your tickets from the PTA reps. There are lots of things happening during the afternoon including an attempt to create a world record! The team are hoping to encourage enough people to dance in unison to the song 'Baby Shark'. Do get learning the moves! To help you, please follow the link to <https://www.youtube.com/watch?v=XqZsoesa55w>

As you will be aware from letters that have been circulated, next week is Arts and Culture Week. Please note that at the end of the week, on Friday 28th June, from 2:30pm you are warmly invited to visit our exhibition. On 28th, at 3pm the children will be making their way down to the field ready to perform a routine for you representing the country they have been studying. Prior to this, during the week they will have enjoyed a range of activities. To cover the cost of workshop providers and the travelling theatre company, please ensure you have made payment via Scopay, emailing the office if you do not wish your child's image to be used in photographs taken as activities are happening (please refer to the letter that has already been sent out about this). During the week some classes will be visiting the Stanley Spencer Gallery in the village: Foundation Stage & Year 1 on Monday, Year 2 on Wednesday and Year 3 & 6 on Thursday. If you are available to help walk the children there on these days, do approach your child's class teacher. As part of our celebration of the Arts, we will be holding our annual summer music concert on Tuesday (25th June) beginning at 6:30pm. The choirs will be performing along with many solo instrumentalists. Do come along if you are able.

On 1st July our Year 6 children depart for their residential trip to CRS Adventures in Devon. A letter will be circulated early next week reminding you of arrangements and requesting that pocket money and medication, if required, is delivered to the school office by Thursday (27th June).

Finally reports of head lice have been received. Please do carry out checks this weekend and treat your child if necessary to prevent any further spread. Thank you.

Anna Smith
