## KEY INFORMATION FOR THE WEEK

We are looking forward to welcoming Year 6 back to school next week – and to hearing about all their exciting experiences and adventures in Devon. We also hope that the children who have stayed behind have enjoyed the first week of transition. With another week of transition to come, the arrangements for dropping off your child next week remains the same as this.

I would imagine that it has been impossible to miss that tomorrow is H.T. Fest. The weather forecasts suggest that it will be a perfect day. Tickets for those of you who have not yet purchased, will be available at the entrance to the field, subject to availability. Hopefully you've had a chance to practice your Baby Shark moves. If not, follow this link so you are ready to help with the world record attempt. <https://www.youtube.com/watch?v=XqZsoesa55w>

Next week we welcome the children who will be joining us as Cygnets in September. These young, brave souls will be with us on Monday, Tuesday and Wednesday. We will make their first fledgling days at Holy Trinity a wonderful experience – an exciting taste of the joyous years ahead.

On the flipside of the emotional coin, on Thursday we will visit Holy Trinity Church for the Year 6 Leavers' Service. The service begins at 10.30am so please join us to wish the children leaving us this year a fond farewell.

The children have shown a growing excitement for the rearranged Sports Day since rain stopped play in the lead up to last month's wash out. The big day will be held on Friday...weather permitting! We look forward to welcoming you for a breakfast roll if you met today's deadline for preordering.

On Friday evening the PTA will be holding the final Holy Trinity School Disco of the year. Children in Cygnets and KS1 will strut their stuff from 4.30pm to 5.50pm, while KS2 children will bust shapes from 6.00pm to 7.30pm. My goodness, they'll sleep well.

Matthew Burn

### Import Notice for Dog Owners

As has been previously communicated, dogs are not permitted through the school gates. Should you need to bring dogs when you drop off or collect children from school, we'd like you to be aware of the following points:

- our preference is that you remain with your dogs while on school grounds
- if you need to leave your dogs, they should be tethered to the railings on the car park side of the fence

## MONTHLY CALENDAR DATES
