Basic level of literacy and numeracy

At least 2 years experience of working with/interacting with children

Has attended training in programmes of learning such as ALS/ELS/PAT/Springboard, IEP's, areas of special needs etc.

Ability to relate sympathetically to children.

Understanding of the educational objectives of the school.

First Aid training

Commitment to training/development of knowledge

Understanding of child protection issues

JOB ACCOUNTABILITIES

Under the direction of the classroom teacher, provide support to individual children/small groups of children in the completion of a wide range of learning activities including reading, writing, mathematics, so that they achieve/complete the task for that session.

Support the teacher in the delivery of structured programmes such as Early Literacy Support (ELS) Additional Literacy Support (ALS), Springboard, Booster, PAT, Individual Education Plans (IEP's) . This will include supporting the teacher with whole group sessions, working with small groups or individuals, preparing resources, discussing progress etc.

Provide support in such a way as to facilitate the child's/children's independent learning, by explanation, encouragement etc.

Influence the behaviour of children in the group by reinforcing standards set by the classroom teacher and within the school's behaviour policy.

In line with the requirements set by the classroom teacher assist in the preparation the teaching room/area for the session activities including setting up furniture and resources ensuring that the teacher has all the resources specified and that the environment is safe for children to use.

Assist the teacher with assessments and monitoring the progress of children to enable the teacher to establish children's level of competency and identify individual or group targets.

Undertake First Aid duties in line with qualification/training received and act in line with the schools accident/incident policy.

Perform duties in line with Health & Safety rules and to take remedial action where hazards are identified. Where hazards are serious report to line manager immediately.

If working with a statemented child:

In line with the agreed special needs/IEP and other specialist plans e.g. occupational therapy/speech therapy provide one to one support to a child in the classroom so that they work productively towards achieving/completing the task for that session. This will involve understanding the learning objectives of the activity. This can include working with small groups which include a child with special needs.

Contribute to the child's personal development/action plan, so that it meets their identified needs, by working with other professionals.

Attend meetings with teachers and other specialist professionals and provide information on individual cases to enable action plans to be prepared.
